

Give Your Samples the Protection They Deserve

Get a tight, reproducible seal every time with Agilent A-Line electronic crimpers

The new Agilent A-Line electronic crimpers make it easier and faster to prepare larger numbers of sample vials with better crimping consistency and less need to rerun samples.

New features make our A-Line crimper even more essential

To make our crimpers and decappers even better, we have added new features to improve performance, usability, and lifetime.

- Brushless motor with fewer parts to wear or break
- OLED display for better control and reading ease
- Longer lasting lithium ion battery
- Intuitive crimping intelligence
- Multilanguage readout
- Standard and high-power versions

Tight, reproducible seals every time.

Small details, big productivity gains

Agilent sample containment solutions offer you simple ways to boost lab productivity and return on investment.

Switching to A-Line vials could save you up to 25% in operating costs.

Using our short-thread screw caps deliver 30% time savings.

Crimp with confidence as never before

Our A-Line vial crimping tool is your insurance against loss of sample, broken vials, or even costly downtime troubleshooting inconsistent results. The crimper's brushless motor has fewer parts to wear or break and the longer lasting lithium ion battery significantly extends operating time without recharging. The easy-to-read OLED display improves crimper control for reduced crimping variability.

A-Line electronic crimper with stand.

Ordering information

Description	Part Number
Base for electronic crimpers/decappers	5190-4066
A-Line 11 mm crimper with lithium ion battery	5191-5616
A-Line 11 mm decapper with lithium ion battery	5191-5614
A-Line 20 mm crimper with lithium ion battery	5191-5615
A-Line 20 mm decapper with lithium ion battery	5191-5613
A-Line high-power crimper*	5191-5617-P
A-Line high-power crimper and 20 mm jaw bundle	5191-5624-P
11 mm crimper jaw set for A-Line high-power electronic crimper	5190-4062
20 mm crimper jaw set for A-Line high-power electronic crimper	5190-4064

* Does not include jaw
